**July 27, 2019** Alaka'i Ordinations <https://youtu.be/s9okY8larxA>  
Ordination Of Jeff Donahue and Jonathan

Hammond by Serge at Hale Huna broadcast live to our Alaka'i around the world, recorded on Zoom and transferred to Youtube by Stewart. A wonderful resource and reminder of our own vows :-)

**August 9, 2019** with Serge <https://youtu.be/eUMWSN4ln1g>  
Serge answered Eugenia's questions about the

difference between dislike and criticism as well as the meaning of "the world is not what you think it is". He also talked about the paradoxes of the other Huna principles, the four "levels" or world views, his African experience of groking a leopard and different views of the Mauna Kea protests here in Hawaii. It was nice to see Jeff, our new Alaka'i from Maui. Our other new Alaka'i from NYC, Jonathan, was on his way upstate to Omega Institute to teach a Huna weekend workshop "The Shamans Mind".

they produce, Serge's African Shamanic experiences, The Pleiadean connections around the world.

Getting to know each other a little better. There

were about 8-9 of us sharing from Maui, Hawaii, the mainland, New Zealand, Germany and Austria. After sharing we sent healing energy out to Ana Paula's brother, also to Janet as she was teaching, Jonathan as he was preparing the ceremony to say goodbye to his mom and Katherine as she was packing up the last of her things. We also sent energy for many fabulous solutions to climate changes.

**October 4, 2019** with Serge <https://youtu.be/i1rrx0rQwGE> Questions:  
Online Hawaiian dictionary?

([ulukau.org](http://ulukau.org)); 'uli'uli connected to goddess Uli? (no); Alaka'i list on [huna.org](http://huna.org)? Alaka'i are not automatically listed, one has to ask Serge or Susan to be listed (privacy issues in case anyone doesn't want to be so public); politics as seen from different levels or world views; Action/reaction - original meaning of karma, superstition vs belief; Aumakua the same as Kupuna? (no); destiny/fate in Hawaiian culture?

**October 19, 2019** w/o Serge <https://youtu.be/K2HkfUIMTZw>  
It was a small (5) but interesting meeting with

Renate from Germany, Margrit from Austria, Graeme from New Zealand, Paula from California and Susan. We connected with all of you before sharing with each other. Hope you could feel us then and always.

**November 1, 2019** with Serge <https://youtu.be/6tey3GZnoyM>

We were 16-17 From all over North America, South America, New Zealand, Germany, France, Austria and Hawaii this All Saint's Day with Serge, and we had some interesting questions with fascinating answers.

He told us some history of the Hawaiian kingdom and it's overthrow as background for what's happening on Mauna Kea now. He talked about future journeys to get ku's feedback now, his new book on Africa is almost done and will include Gloria's point of view from raising 3 boys there, more on how Hawaiian culture reflects their belief in ancestors being with us in the present, how DNA contain memories, patterns of behavior that are tendencies we might follow if we

have too much tension. Of course we can always ask for the good patterns to help us today! The words Ku, Lono and Kane represented separate religions as well as esoteric archetypes.
